The purchaser agrees that their credit card will be charged once a month for the number of installments they have selected (including initial payment) until the order is paid in full. You will receive an email confirmation each time your credit card is charged. At the time the final payment is made, your tickets will be emailed to you. For example: If your order were to total \$300 (including applicable fees and taxes), you will be billed \$100.00 (\$300.00 divided by 3) at checkout. Your card will then be charged 2 additional equal installments of \$100.00 each month for 2 months after your initial purchase. Once the final payment has been made, your tickets will be emailed to you. If one of the installments is unable to be processed, we will make a reasonable effort to contact the purchaser. In addition to the above, you hereby acknowledge that you have read, understand and agree to the following terms and conditions. You understand that you are responsible for payment of the full price of the EZPay order plus any handling fees and taxes. In the event of non-payment, cancellation or decline of your credit card, you understand that you will forfeit all monies paid for the ticket and relinquish any rights to a refund or exchange of ticket. You further understand that you can, at any time, pay for the order in full and/or accelerate the payment schedule. You hereby signify your agreement to the above terms and conditions when you submit your order.
